Any proposal for additional or different terms or any attempt by Seller to vary in any degree any of the terms of this Purchase Order is hereby objected to and rejected. Neither course of performance, course of dealing, usage of trade nor oral promise shall be used to explain, qualify or supplement the terms of this Purchase Order.

2. PRICING: Goods on this Purchase Order are to be furnished at the price stated herein, or if no price, at a price no higher than previously charged without written consent from Buyer. Amounts due shall be subject to set-off, counterclaim, and recoupment. If Seller quotes or sells similar goods in similar quantities at lower prices, such lower prices shall be substituted for the prices specified herein.

3. SHIPMENTS, PACKAGING, FREIGHT AND DELIVERY: Time and delivery are of the essence. Unless otherwise specified on this Purchase Order, title and risk of loss of or damage to goods shall pass to Buyer upon tender of delivery to Buyer at the point of delivery specified in Buyer's Purchase Order. 5. PERFORMANCE OF WORK ON PREMISES: If this Purchase Order covers the performance of work on Buyer's premises, Seller agrees to (1) comply with Buyer's policies and procedures including applicable health, safety, environmental, security, and confidentiality rules, policies and procedures; and (2) prior to commencing such work, furnish certificates satisfactory to Buyer confirming adequate workman's compensation, public liability, general liability and property damage insurance. Any policy providing coverage shall be endorsed to name Buyer as an additional insured thereunder and shall be primary to any other coverage.

7. INSPECTION: Buyer shall have the right to inspect and test any goods either before or after receipt and/or payment, so long as such inspection and tests are made within a reasonable time. Seller shall reimburse Buyer for the cost of inspection and testing of goods rejected for cause and pay all return transportation, storage and other charges thereon. Any rejected goods shall be held at Seller's risk.

Seller's economic hardship or changes in market conditions are not considered Force Majeure Events. Seller shall use all diligent efforts to end the failure or delay of its performance, ensure that the effects of any Force Majeure Event are minimized and resume performance under this Purchase Order. If a Force Majeure Event prevents Seller from performance for a continuous period of more than five (5) business days, Buyer may terminate this Purchase Order immediately by giving written notice to Seller.
